Department of Civil Engineering

Academic Advisors

Institute of Engineering Academic Advising will help you with your academic questions from orientation to graduation.

We are here to help you:

- Select courses
- Stay on track for graduation in four years
- Understand academic policies
- Connect with opportunities and services
- Celebrate your accomplishments

When do I meet with an advisor?

Before you can register for courses. We will also talk about your long-term course plan and how things are going for you.

When you have a question about an academic policy.

If you're struggling with academics or life. We are committed to supporting your well-being and academic achievement. We will talk about your options and give you resources to get the help you need.

Who is my advisor?

Prospective students: [Contact the Brilliant Institute of Engineering and Technology Office of Admissions](#) if you have questions about academic requirements or the admissions process.

New students: During orientation, you will meet with Institute of Engineering academic advisors and peer assistants. You will learn about college and University requirements and register for your first semester.

BRILLIANT INSTITUTE OF ENGINEERING AND TECHNOLOGY

Approved By AICTE, New Delhi, Affiliated to JNTU-H
Abdullapur (V), Abdullapurmet (M), R.R. Dist., Hyderabad, Telangana – 501 505

Pre-major students: During your first semester, you are assigned a Engineering academic advisor who will stay with you through your time as an undergraduate. Your advisor works with students in your intended major and is also familiar with other programs in the college.

Students admitted to their major: After your acceptance into a major, a departmental advisor or faculty member will be your main contact for academic planning. Your Institute of Engineering academic advisor will continue to provide information and support as needed.
